

**REMARKS**

The Notice to File Corrected Application Papers indicates that the drawings include defects requiring correction. Responsive thereto Applicant submits replacement drawing sheets for Figures 19 and 22. Applicant acknowledges that replacement sheets for Figures 1A-18B, 21 and 23A-23B filed December 4, 2003 are deemed acceptable and copies of these figures are not included herein. Figures 19 and 22 are amended herein to provide clean copies of these figures, absent rows of copier marks. As such, the amendments to the figures are clerical in nature. No issue of new matter is introduced via these amendments.

It is believed that the amendments to the Drawings are curative of the defects identified. Applicant, therefore, requests favorable consideration and entry of these amendments and further favorable processing of the present application.

No fees are believed to be necessitated by the foregoing Response. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment, or credit any overages.

Respectfully submitted,
